

Sudoku Challenge at Makers Fete 2023

Test Your Logical Prowess in the Ultimate Sudoku Showdown!

Introduction to Sudoku:

Sudoku, a globally beloved puzzle game, owes its popularity to:

- Simple, easy-to-learn rules.
- Puzzles ranging from easy to devilishly challenging.
- Solutions based on pure logic, not guesswork.
- A non-mathematical focus, instead emphasizing pattern recognition.
- The need for complex strategies for the toughest puzzles.

Objective:

- Fill each row, column, and 3x3 region with the numbers 1-9, ensuring each number appears exactly once.

Competition Structure:

- Different rounds of the competition will be announced during the event.

Prize Categories:

- Juniors:
 - 1st Place: Rs. 2000/-
 - 2nd Place: Rs. 1500/-
- Seniors:
 - 1st Place: Rs. 2000/-
 - 2nd Place: Rs. 1500/-

Registration:

- Participants can register through the same [CFAL India's Makers Fete website link](#).
