

## **Science Model Contest at Makers Fete 2023**

### **Objective:**

Encourage students to showcase their creativity and apply their knowledge by designing and building a science-related model.

### **Competition Rules:**

#### **1. Model Requirements:**

- Each entry must include a working model or prototype and an explanatory chart.

#### **2. Originality:**

- The science model should be made by students themselves.
- Models will be checked for originality, and participants are encouraged to showcase their unique ideas.

#### **3. Theme:**

- The model should be related to science and technology.

#### **4. Material Choice:**

- Participants are free to choose any materials for their model.

### **Participation Rules:**

#### **1. Team Size:**

- Up to 3 members per team.

#### **2. Registrations:**

- Accepted through schools only.

#### **3. Age Group:**

- Participants must be aged 9 to 16 years (6th to 10th standard).

#### **4. Identity Verification:**

- All team members must carry their respective institute's identity card.

### **Event Schedule:**

#### **- Venue Arrival:**

- Teams must be present at the venue by 9:00 AM.
- Any specific requirements from the organizers must be communicated in advance.

**Prizes:**

**1. 1st Place:**

- Rs. 2000/-

**2. 2nd Place:**

- Rs. 1500/-

**3. 3rd Place:**

- Rs. 1000/-

**Contact Details:**

- Manas Shetty: 9632014634

**Note:**

- The science model should be an original creation of the students.
- Models will be thoroughly checked for originality, so participants are encouraged to showcase their unique and creative ideas.
- Models should be working or prototypes, demonstrating the practical application of scientific concepts.
